The Lincoln High Senior Choir is a group of one hundred and four voices. The choir has performed for the Lions Club, the Downtown Kiwanis, the National Kiwanis, and various schools and organizations throughout town. The two biggest projects of the choir are the Christmas program and the spring festival. The festival represents most of the work that the choir has done in the second semester.

The Boys Glee Club is the largest Lincoln has had. The glee club has performed for various downtown organizations and in the Des Moines Public Schools. Often the highlight of the glee club is to sing a humorous number. Under the direction of John C. Whaley, the club has represented Lincoln at its best.

The Girls Glee Club is organized and directed by John C. Whaley. The club is set up to provide opportunity for many girls to sing since only limited numbers are used in the choir. This nice looking group performs throughout the year for the Lincoln faculty and student body.

The Madrigal Singers are the performing small group of the music department. It is made up of the top musicians of the school and appears at many events and civic functions.

The music ranges from early sixteenth century songs to current Broadway musical selections.

Lincoln 1962 Spring Highlights

The spring semester of '62 will long be remembered as new and exciting in many ways, filled with good leaders, new features, and many honors.

Heading this semester's Student Council was president, John Blake; vice-president, Chuck Roland; secretary, Linda Evans; treasurer, Linda Ray; and chief justice, Jerome Bradley. An improved and divided lunch line plus new 50 star flags were just two of their first projects.

Leading the junior council were officers: Bob Clark, president; Kathie Hill, vice-president; Linda Mincks, judicial chairman; Judy Kothenbeutel, secretary; and Barbara Dickey, treasurer.

A new feature at Lincoln this semester was the advanced composition course. This was a select group of twenty students under the direction of Mr. McWhirter who were given the opportunity to study well known essays and to put a greater emphasis on written work. It was hoped to encourage more precise work from above average students.

A new addition to Lincoln's teaching facilities was the installation of the language lab. Through a complicated network of master panels, cables, and headphones, the language classes have been experiencing a new style of teaching.

The Photography Club was a new undertaking at Lincoln this semester. Under the direction of Mr. Ewers and club president, Daryl Rupp, the new club made outstanding progress.

Judy Bonhote, our exchange student from Switzerland, experienced a whole year of excitement and unaccustomed ways while spending her time here with the Ogrens.

The KSO dirty dribbler basketball team faced our brusque faculty in February. The profits went to buy the new 50 star flags and the vain attempt to win left the faculty stiff and dislocated.

Germany has been a place of discussion this semester in that Mr. Ewers returned to Lincoln from a years teaching experience there and Lincoln's stationary engineer, Mr. Seiler, will be releasing a book for publication on his experiences in America after having lived in Germany until 1956.

In late March, the 12A class held its annual Get-Together. Dressed in costumes depicting Story Book Land the halls were filled with a conglomeration of animals, characters, and the unknown. With half closed lids the senior students survived by sleeping through study halls.

The Frederick W. Lehmann, Jr. scholarship fund was continued by the terms of Mr. Lehmann's will. This is a \$10,000 fund to be given to a

worthy Lincoln High student to provide a college education.

Eight art students won scholastic key awards, they were: Bill Allen, whose work will be sent to New York for final judging in the national competition; Dennis Chadwick, Bill Coburn, Dixie Parsons, Doug Smiley, Craig Wallace, and Susan Wheatley, all senior high students. John Fuller was the only junior high artist to win a golden key.

Our June graduating class was guided by the president, Marvin Rooney; vice-president, Dave Kirkman; secretary, Mary Alice Hall; and treasurer, Sharon Lewis. All were required to attend all committee meetings at 7:45!

"Little Women" appeared on stage this semester April 6-7. Laughter blended with misty eyes were two signs which proved to the drama department under the direction of Mrs. Beverly Moe that their play had succeeded.

Every student was glad to see the Easter Bunny coming this semester for that reprieve starting April 19.

The theme for the Senior Informal held April 27 was Hawaii, music was provided by stereo records and the Blazers' combo. Palm trees and paper streamers were two decorations which set the theme off. The boys were even delighted to find hula girls!

"Holidays" was the theme for the Mermaids' annual synchronized swimming show May 3 and 4. A splashing good time was provided for both the performers and onlookers. Seniors, Becky Maxon and Betsy Casady were featured in special soloists events.

Lincoln's annual Spring Carnival was held May 18 on the parking lot. The cake walk, baseball throw, ring toss, and dancing for seniors and juniors in both gyms were just some of the many attractions.

Individual highlights were numerous and varied this semester. A few of these were:

Dave Kirkman was elected vice-president of the state DECA (Distributive Education Clubs of America).

Brian Percival broke a state swimming record in the individual medley record, knocking three seconds off the old record in the state swimming championships, his time was 2:13.2.

In wrestling Warren Burge and Doc Reppert won district championships.

Karen Miller was privileged to head a double Railsplitter paper staff of twenty students.

Lincoln 1962 Spring Highlights

Jean Trickey, Denny Davis, and Barbara Bunch won honors in the annual Soroptimist Essay Contest. Jeanne's was sent to the state division for judging.

Winning third place in the county annual thrift essay contest was Linda Harrison who started out "Dear Mom"—? Barbara Bunch won first place in the school division.

Sherry Florer and Jim Noland won one ratings in the state drama and speech contest. Diane Wilson and Vivian Briney were division two winners.

Drake Relays parade April 28 displayed Lincoln's princesses, Donna Foes, Cathy Funaro, and Sheryl Keefer.

Linda Evans reigned as Lincoln's polio queen candidate this year for the annual March of Dimes dance.

Winding up the semester's activities for the 12As were: the senior banquet, May 29; baccalaureate June 3; class day June 6; and graduation June 7.

Thanks goes out from the senior class to their homeroom teachers, Miss Ealy, Mrs. Leonard, Miss Moroney, Mrs. Richardson, Miss Selby, Mr. Cox, Mr. Graaff, and Mr. Whaley.

These were only a very few of the many tremendous memories which will remain always in the hearts of the graduating seniors of 1962 and those Lincoln students who remain.

CONSIDER... A CAREER ...NOT A JOB

When looking ahead to your business life, you want to think beyond just a job. Consider the kind of business career you want and judge the qualities of the company which is a part of that business. Life Insurance is a good business and the Equitable Life of Iowa is a good company — offering so many opportunities for the career man or woman.

Look into the Equitable, and you'll find all of the so-called fringe benefits offered by business generally, plus some that only Equitable has for you. Most importantly, there are so many phases of life insurance

work that your opportunities for advancement and permanency are limited only by your own ability. In the Personnel Office, 1105 Equitable Building, you'll find Miss Pat Bush — discuss with her all the opportunities that exist for you at the Equitable — you may choose your career right now.
